Editor-in-Chief

Dear Aurelio Ribeiro Leite Oliveira

My colleagues and I are pleased to submit a manuscript entitled "Numerical solution of heat equation with singular Robin boundary condition" to be considered for publication in the Trends in Applied and Computational Mathematics journal. The authors of the manuscript are: G. Lozada-Cruz, C. E. Rubio-Mercedes, and J. Rodrigues-Ribeiro. I would like to confirm that this manuscript is original and it has not been published elsewhere nor is it currently under consideration for publication elsewhere.

I hope that this submission is in order and I look forward to your reply. Thank you for your consideration of this manuscript.

Sincerely,

Prof. Dr. Cosme E Rubio Mercedes
